FRANK McWHORTER CO.'S

Monster, Slaughtering, Mark Down

SWEEPING OUT SALE

At 20 and 22 North Main Street, Barre, Vermont.

Here's The Reason In a Nutshell

Owing to our ever-increasing business, we placed orders last spring with the clothing manufacturers for thousands of dollars' worth of Men's and Boys' Suits and Overcoats in anticipation of an early fall and winter business. In that we were disappointed, as well as nearly every other merchant handling wearing apparel. As you are all aware, the unparalleled mild weather that has prevailed all through the fall season, coupled with the quarantining of Barre during the small-pox scare, has been a death-dealing blow to clothing merchants in general. We find our tables heavily laden with the choicest output of America's foremost clothing manufacturers. These goods must be paid for—there is no alternative—consequently we are brought face to face with facts that are indisputable. We positively must unload the greater part of this merchandise and turn it into CASH at once, rather than wait until after New Year's, as is customary with most merchants.

We inaugurate this great profitless sacrifice mark-down sweeping-out sale right on the verge of the winter season—right at the time when the buying public need new and seasonable garments.

Our object is twofold—First, to unload and turn into cash the greater part of this mammoth stock of new and up-to-date merchandise; second, to convince all who are not familiar with the quality of the merchandise we handle—that The Frank McWhorter Company gives more real, honest, up-to-date values for your money than you ever dreamed of getting.

JUST ONE WORD MORE

Gentlemen—You who are familiar with our methods and "square deal" business policies know that even though the buying public would be willing, we cannot conscientiously sacrifice, nor would we dare to attempt to sacrifice our reputation as reliable merchants (so hard fought for and conscientiously won) in trying to force upon an intelligent buying public a fake sale, gotten up for the express purpose of unloading a lot of inferior merchandise.

Our reasons are urgent honest ones, and to prove to you the sincerity of this bona fide mark-down, sweeping-out sale, we want you—every man, woman and child—to visit this store on Saturday, Dec. 7, the opening day of this great bargain carnival, and witness prices on High-Grade Merchandise slaughtered regardless of cost or quality.

Yours for the biggest bona fide bargains ever offered in Vermont.

FRANK McWHORTER COMPANY.
